INDEPENDENT AUDITORS' REPORT

Board of Directors
International Center for Transitional Justice Inc.

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of the International Center for Transitional Justice Inc. ("ICTJ"), which comprise the consolidated statements of financial position as of March 31, 2021 and 2020, and the related consolidated statements of activities, functional expenses, and cash flows for each of the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

ICTJ's management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Notes to Consolidated Financial Statements March 31, 2021 and 2020

NOTE A - ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES

[1] Nature of the organization:

The International Center for Transitional Justice Inc. (the "Center") is a not-for-profit organization organized in Delaware in 2001, the primary goal of which is to promote accountability by helping countries develop effective responses to human-rights abuse arising from repressive rule, mass atrocity or armed conflict. The Center works in transitional societies grappling with a legacy of abuse, as well as in established democracies where historical injustices or systemic abuse remain unresolved. Depending on the context, its work focuses on strategies to document abuse or to establish truth commissions, prosecute perpetrators, reform abusive institutions, provide reparation to victims of violence, or promote reconciliation.

The Center assists governments, nongovernmental and international organizations, and other key actors by providing them with comparative information, legal and policy analysis, documentation and strategic research. Working collaboratively with other organizations and experts throughout the world, the Center aims to build capacity and strengthen the field of transitional justice. These efforts are frequently conducted through local offices established by the Center or through its controlled affiliate organizations, as described below.

[2] Consolidated financial statements:

The accompanying consolidated financial statements include the financial statements of the Center and those of its domestic controlled affiliates, the International Center for Transitional Justice International LLC ("ICTJ International") and the International Center for Transitional Justice Media LLC ("ICTJ Media"), both of which were organized as limited liability companies in Delaware in January 2008. The purpose of ICTJ International is to facilitate the timely opening of international offices and their related registration. The purpose of ICTJ Media is to oversee the film productions of the Center. The Center has offices in a number of other countries, including Colombia, Nepal, and the Democratic Republic of the Congo. During fiscal-year 2019, the offices in Nepal and the Democratic Republic of the Congo closed.

In addition, the consolidated financial statements also include the financial statements of the following international affiliates, all of which have a common mission as the Center in their respective countries:

- the Centre International pour la Justice Transitionnelle Bruxelles ("ICTJ Brussels"), incorporated in Brussels, Belgium;
- the International Center for Transitional Justice in Lebanon ("ICTJ Lebanon"), incorporated in Beirut, Lebanon;
- the Stichting International Center for Transitional Justice ("ICTJ the Hague"), incorporated in the Hague, the Netherlands;
- the International Centre for Transitional Justice Limited ("ICTJ Kenya"), incorporated in Nairobi, Kenya; and
- the International Centre for Transitional Justice Gambia Chapter ("ICTJ Gambia"), incorporated in The Gambia.

All significant intercompany accounts and transactions for the above entities (together, "ICTJ") have been eliminated in consolidation.

INTERNATIONAL CENTER FOR TRANSITIONAL JUSTICE INC.

Notes to Consolidated Financial Statements March 31, 2021 and 2020

NOTE A - ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[3] Income tax and compliance reporting:

The Center is exempt from federal income taxes under Section 501(c)(3) and is a public charity rather than a private foundation under Section 509(a) of the U.S. Internal Revenue Code and from state and local taxes under comparable laws. The financial information of ICTJ International and ICTJ Media is included in the federal and state compliance returns of the Center. Certain of the Center's other controlled affiliates are separate legal entities that function and pay taxes according to the laws of the jurisdictions in which they are organized.

ICTJ follows the provisions of the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC") Topic 740, *Income Taxes*, as it relates to accounting and reporting for uncertainty in income taxes. Because of ICTJ's general tax-exempt status, ASC Topic 740 has not had, and is not anticipated to have, a material impact on ICTJ's consolidated financial statements.

[4] Basis of accounting:

The accompanying consolidated financial statements of ICTJ have been prepared using the accrual basis of accounting and conform to accounting principles generally accepted in the United States of America ("U.S. GAAP"), as applicable to not-for-profit entities.

[5] Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP require management to make estimates and assumption that affect the reported amounts of assets, liabilities, support and revenue, and expenses, as well as the disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

[6] Cash and cash equivalents:

For financial reporting purposes, ICTJ considers all highly liquid financial instruments purchased with a maturity of three months or less to be cash equivalents.

[7] Property and equipment:

Property and equipment are reported at their original costs, less accumulated depreciation or amortization. Donated assets are recorded at their fair values on the dates of the gifts. Items with a cost of \$2,000 and an estimated useful life of three years or more are capitalized. Depreciation and amortization are provided using the straight-line method over the estimated useful lives of the assets. Vehicles and furniture and equipment are depreciated over five years, computer hardware and software are depreciated over three years, and leasehold improvements are amortized over their estimated useful lives or the respective lease terms.

Management evaluates the recoverability of the investment in long-lived assets on an on-going basis and recognizes any impairment in the year of determination. There were no triggering events during fiscal-years 2021 or 2020 requiring management to test for impairment that would require adjustments to property and equipment. It is reasonably possible that relevant conditions could change in the near term and necessitate a change in management's estimate of the recoverability of these assets.

[8] Deferred rent obligation:

Rent expense is recognized using the straight-line method over the terms of the lease. The difference between rent expense incurred and the rental amounts paid, which are attributable to scheduled rent increases, is reported as deferred rent obligation in the consolidated statements of financial position.

INTERNATIONAL CENTER FOR TRANSITIONAL JUSTICE INC.

Notes to Consolidated Financial Statements March 31, 2021 and 2020

NOTE A - ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[9] Accrued vacation:

ICTJ's employees are entitled to be paid for unused vacation time if they leave ICTJ. Accordingly, at each year-end, ICTJ must recognize a liability for the amount that would be incurred if employees with such unused vacation were to leave. The accrued vacation obligation for fiscal-years 2021 and 2020 was approximately \$110,000 and \$117,000, respectively, and is included in accounts payable and accrued expenses in the consolidated statements of financial position.

[10] Net assets:

Net assets and the changes therein are classified and reported as follows:

(i) Net assets without donor restrictions:

Net assets without donor restrictions represent those resources that are not subject to donor restrictions and are available for current operations.

(ii) Net assets with donor restrictions:

Net assets with donor restrictions represent those resources that are subject to donor-imposed restrictions, such as specific purposes and/or the passage of time. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified as net assets without donor restrictions and reported in the statements of activities as "net assets released from restrictions."

[11] Grants and contributions:

The operations of ICTJ are financed principally by grants and contributions received from foundations, foreign governments, and the general public. Grants and contributions are recognized as revenue upon the receipt of cash or other assets, or of unconditional pledges. Grants and contributions are reported as "with donor restrictions" if they are received with donor stipulations or time considerations as to their use. Conditional grants and contributions are recognized when the donor's conditions have been met by requisite actions of ICTJ's management or necessary events have taken place. Grants and contributions to be received over periods longer than a single year are discounted at an interest rate commensurate with the risk involved.

[12] Measure of operations:

ICTJ includes in its measure of operations all revenue and expenses that are an integral part of its programs and supporting activities. This measure of operations includes transfers from net assets with donor restricted funds to net assets without donor restrictions from local and foreign governments and contribution from private foundations. It excludes foreign currency translation gains (losses) and refund of grants.

[13] Functional allocation of expenses:

The costs of providing ICTJ's various programs and supporting services have been summarized on a functional basis in the consolidated statements of activities. The consolidated statements of functional expenses present expenses by functional and natural classification. Accordingly, direct costs have been functionalized within the program and supporting services based on the nature of the expense. Indirect costs have been allocated on the basis of time and space allocations among employees.

INTERNATIONAL CENTER FOR TRANSITIONAL JUSTICE INC.

Notes to Consolidated Financial Statements March 31, 2021 and 2020

NOTE A - ORGANIZATION AND ITS SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

[14] Adoption of accounting principle:

In May 2014, the FASB issued Accounting Standards Update (“ASU”) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which outlines a single comprehensive model for entities to use in accounting for revenue arising from contracts with customers and supersedes most current revenue recognition guidance, including industry-specific guidance. ASU 2014-09 requires an entity to recognize revenue depicting the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The standard permits the use of either the retrospective or cumulative effect transition method. Analysis of various provisions of this standard resulted in no significant changes in the way ICTJ recognized revenue, and therefore, no changes to the previously issued audited consolidated financial statements were required on a retrospective basis.

[15] Upcoming accounting principle:

In February 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, as amended, which supersedes the current leasing guidance and upon adoption, will require lessees to recognize right-of-use assets and lease liabilities on the statement of financial position for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statement of activities. Leases with a term of 12 months or less will be accounted for similar to existing guidance for operating leases today. The new standard is effective for ICTJ for the annual period beginning after December 15, 2021, and can be early adopted. Upon the adoption of the guidance, operating leases are capitalized on the consolidated statement of financial position at the present value of lease payments. The consolidated statement of financial position amount recorded for existing leases at the date of adoption of ASU 2016-02 will be calculated using the applicable incremental borrowing rate at the date of adoption. The impact on the ICTJ’s consolidated financial statements is currently being evaluated.

[16] Foreign currency translation:

Foreign currency translation gains or losses are the inherent result of the process of translating into U.S. dollars, for consolidated financial reporting purposes, the Center’s foreign affiliates’ financial statements as stated in their respective functional currencies. Such annual translation adjustments are not included in determining the net increase in assets from operations, but they are instead disclosed as a separate component in the accompanying consolidated statements of activities. Likewise, the cumulative translation gains or losses continue to be reported as an element of net assets without donor restrictions in the consolidated statements of financial position until such time as the Center substantially ceases control of the various international affiliates.

All elements of the consolidated financial statements reflecting foreign grants made to ICTJ are translated into U.S. dollars using applicable exchange rates. For assets and liabilities, this is the rate in effect at the fiscal year-end. For revenue and expense items, translation is performed monthly, using the approximate average rate for the month (see Note F).

[17] Subsequent events:

ICTJ evaluated subsequent events through November 3, 2021, the date the consolidated financial statements were available to be issued.

**Notes to Consolidated Financial Statements

NOTE E - EMPLOYEE-BENEFIT PLAN

ICTJ maintains a Section 403(b) defined-contribution retirement plan that covers substantially all full-time eligible employees. Contributions to the plan are at the discretion of ICTJ's management, subject to annual Internal Revenue Service limitations. Contributions for fiscal-year 2021 and 2020 were approximately \$49,000 and \$55,000, respectively.

NOTE F - FOREIGN CURRENCY TRANSLATION

As described in Note A[16], the applicable exchange rates for various countries such as Belgium, Lebanon, Netherlands, Uganda, Tunisia, Nepal, Colombia, Kenya, and The Gambia range from 0.00027 to 1.17271.

The foreign currency translation gains (losses) for fiscal-years 2021 and 2020 were \$291,027 and \$(584,409), respectively, resulting in cumulative translation losses of \$4,008,064 and \$4,299,091 as of March 31, 2021 and 2020, respectively.

NOTE G - BANK LINE OF CREDIT

In July 2016, ICTJ entered into a revolving bank line of credit agreement with a commercial financial institution for \$1,500,000 expiring on December 31, 2020, bearing interest, payable monthly at LIBOR plus 1.35 basis points which equated to 1.5% and 2.43% at March 31, 2021 and 2020, respectively. During fiscal-year 2021, ICTJ's drawdowns were \$400,000 and the balance outstanding on the bank line of credit was \$400,000 as of March 31, 2021. There were no drawdowns during fiscal-year 2020 and no unpaid balance as of March 31, 2020. The bank line of credit is guaranteed by a separate not-for-profit organization.

NOTE H - COMMITMENTS, CONTINGENCY, AND OTHER UNCERTAINTY

[1] Lease agreements:

During fiscal-year 2018, ICTJ entered into a non-cancelable facility lease agreement for its new office space expiring in June 2025. As discussed in Note A[7], the aggregate minimum lease payments are being amortized using the straight-line method over the term of the lease. The cumulative difference between rent expense and amounts paid amounted to \$83,156 and \$79,544 as of March 31, 2021 and 2020, respectively, and was reported as a deferred rent obligation in the accompanying consolidated statements of financial position. The lease required ICTJ to obtain a letter of credit for \$88,219, which is automatically extended for periods of one year, but not extending beyond December 31, 2025. In addition, ICTJ has various facility lease agreements for foreign premises that pay rent on a month-to-month basis. Minimum annual future rental commitments under the lease agreements subsequent to March 31, 2021 are approximately as follows:

<u>Year Ending March 31,</u>	<u>Amount</u>
2022	\$ 201,000
2023	217,000
2024	226,000

Notes to Consolidated Financial Statements March 31, 2021 and 2020

NOTE H - COMMITMENTS AND OTHER UNCERTAINTY (CONTINUED)

[1] Lease agreements: (continued)

Rent expense for fiscal-years 2021 and 2020 was approximately \$309,000 and \$318,000, respectively. Management believes that, under certain circumstances, it may be possible to cancel or reduce particular lease commitments.

ICTJ operates in various countries, certain of whose governments at times may become unstable. The consolidated financial statements do not contemplate any possible losses that may arise should these governments destabilize.

[2] Audits by funding sources:

Government-funded activities are subject to audit by the applicable granting agencies. At March 31, 2021 and 2020, there were no material obligations outstanding as a result of such audits, and management believes that unaudited projects will not result in any material obligations.

[3] Other uncertainty:

The extent of the impact of the coronavirus ("COVID-19") outbreak on the operational and financial performance of ICTJ will depend on the continued future developments, including the duration and spread of the outbreak and related travel advisories and restrictions and the impact of COVID-19 on overall demand for ICTJ's services, all of which are highly uncertain and cannot be predicted. If ICTJ is negatively impacted for an extended period, results of operations may be materially adversely affected.

NOTE I - CONCENTRATION OF CREDIT RISK

ICTJ maintains its cash in bank deposits in amounts which, at times, may exceed federally insured limits. ICTJ has not experienced any losses in such accounts, and management believes ICTJ is not exposed to the risk of any significant loss due to the possible failure of these financial institutions.
